The fees and charges contained in this document are effective at the date of this document and are subject to change. We will give 30 days notice of any changes.

Fees and charges relating to loan and credit card accounts are detailed on the relevant loan documentation.

If you have a Visa debit card attached to your account, refer to the Visa debit card Terms & Conditions document.

Understanding our fees and charges.

Direct charging at non-Hume Bank ATMs.

If you use an ATM that is not operated by Hume Bank, you may see the charge for using that ATM on the screen before you decide whether to proceed with the transaction. If you decide to accept that fee, it will be separately debited to your account at the time of the transaction and will be shown on your statement as "ATM Operator fee" (or similar).

If you decide not to proceed with the transaction or the transaction is declined, no fee will be charged.

Debiting of fees and charges.

Transaction based fees and charges are debited to the account on the last day of each month.

Direct charge fees by non-Hume Bank ATMs are debited to the account at the time of acceptance. Non-standard fees and charges are debited to the account at the time of relevant activity.

Fee-free transactions.

The following transactions are free across all of the accounts listed in this Fees & Charges document (where the transaction is applicable to that account type):

- All transactions at Hume Bank ATMs
- Internal transfers (Hume Bank to Hume Bank)
- Online banking – iBank and Hume Bank's App
- Direct debits, direct credits and BPAY
- External transfers

Refer to the non-standard fees and charges section of this document.
